

Bruce Eugene Berger

December 31, 1941 - September 4, 2020

Bruce Eugene Berger was born on December 31st, 1941 in Tampa, Florida and spent his early years in Haines City getting into mischief with his favorite cousins. As an air force brat he traveled the world, eventually making his longtime home in Tallahassee where he raised his daughters and was the quiet rock for his entire family. He passed away on September 4th, 2020 surrounded by loved ones in Tallahassee, Florida.

Bruce lettered in several high school sports in France. He graduated from Paris American High School in Paris, France in 1959. He enlisted in the United States Army at age 17, serving during the Cold War as a cryptographer. He received his sharpshooter badge, achieved the rank of sergeant, and served as a platoon leader.

After an honorable discharge from the US Army, he returned stateside to attend Jacksonville University. At JU, he was a member of Alpha Kappa Psi Fraternity and the homecoming court. Upon graduating from JU he passed his C.P.A. exam on his first try. After working for a large Jacksonville accounting firm he became the Comptroller for Mobile America. Later moving to Tallahassee where he was a longtime State employee and retired as the bureau chief of Banking & Finance for the Department of Financial Services.

He was a proud father, raising two daughters with his wife Shirley. He loved boating with his girls, teaching them to swim and waterski. They spent a lot of time on Dog Island and took long family vacations to see American landmarks. He adored his two grandsons. There was nothing he loved more (even more than buying new cars) than attending their baseball games.

He was preceded in death by his mother, Bette L. Berger, father Ernest G. Berger, and his beloved cat Piewacket. He is survived by his wife of 43 years, Shirley Ann Renfroe Berger, daughters Kerry Elizabeth Berger and Tracy Lynn Thomas, grandsons Harlan Harris and Holton Harris, sister Barbara Berger Bumgarner (Barry), brothers Michael Berger (Teresa), and Thomas Berger (Melanie), brother in law Keith Renfroe (Calista), and numerous

“ I'm not sure "Santa" would have gotten those bicycles assembled correctly if not for Bruce's help. There was always his smile to greet us when we would see him. I'm very glad I got to know him. Mary Summers (formerly Renfroe)

“ Bruce was my first cousin. Our mothers were sisters. Bruce was the oldest boy. I think he must have been treated like a special gift. He named GaGa. And we all followed. She is still called that 32 years after her death. But when Bruce could say "grandmother" he changed her name. But he didn't tell anyone. Anyway, he thought that was funny. That is the subtle humor he thought was brilliant. Could be. He was a little enigmatic. Not easy to read. He suffered his own pains quietly, and celebrated his successes quietly. He found a million dollars improperly spent by the State folks, maybe more. He helped General Bob Milligan look good as Comptroller, taking no credit. We will long remember him for his quiet gifts of love and inspiration. My condolences to his family, Shirley, Kerry, Tracey, Barbara and all the children. God needs to change the rules, extend the minimum life term to 90, then put us on notice. God speed Bruce Berger.
