“ Chelsea always made me feel that teaching mattered. She was a wonderful student with bright ideas and a willingness to learn. Never a complaint or excuse...just energy and a desire to excel. We kept in touch after she graduated and it was a highlight of the day when she would stop by for a check in and conversation.

I will miss you very much.

She is and always will be a shining light in our hearts and memories. She will forever be missed. She lived life with so much compassion and heartfelt joy. We are so very grateful to have had her in our lives. Chelsea was so kind and patient with her niece's and nephews(all children actually), and we are proud that 3 of them are our grandchildren. She adored them and they absolutely adored her. She will be a great absence to us all.  
Rest in peace sweet Chelsea girl, we love you forever.

“ I remember running around my old house next door to her cousins and just playing, swimming in their pool, or jumping on the trampoline. I remember going to church on Wednesdays and playing around with her, her brother, and her cousins and her and the youth group helping with vacation bible school every year until I could do it myself with them, they made it so fun, and her smile, man it lit up every room. I hope her daughter never forgets her momma and may a beautiful girl and soul live on with her name. I pray for both sides of her family and her brothers and sister and nonetheless baby Kourtney Teal. Her family was like my family for some time and I'm sending my love and prayers over to them during this hard time. We will forever love and miss you our dear Chelsea

“ My Cousins Beautiful daughter, she was my third cousin and she had a beautiful soul, she has two babies and her life as an adult was so bright, her father, Donnie Bramblett is an awesome Father and Vickie, an absolute beautiful stepmother, inside and out. Donnie and Vickie get to raise their grandchildren now and I know Chelsea will be happy from Heaven. My heart breaks for our whole family, Chelsea was taken way too soon. This is the biggest heartbreak for a parent, to lose a child. May the days be filled with God and may he have mercy on all of our family.
