

Corey Micheal Crum

January 16, 1980 - March 10, 2019

Corey Micheal Crum, 39, and Shana Millender Crum, 41, passed away on Sunday, March 10th, 2019 after a tragic accident on Liberty County High School's baseball field.

Corey was born on January 16th, 1980 to Randy and Sheila Crum. He jointly owned C & L Construction and was Liberty County High School's head varsity baseball coach. Shana was born on March 2nd, 1978 to Danny and Sonja Millender. She was a Health Aide for Liberty County Schools but spent over twenty years taking care of children through her in-home daycare in Wakulla County. Corey and Shana were married on November 25th, 2002 and rarely did you see one without the other. They had two daughters, Payton Baze Ward and Baylee Kate Baze, and one son, Remington Chase Crum.

Although the accident was tragic, Corey and Shana will not be remembered by how they died but how they lived. Their lives were full of love for each other and for their family. Corey was an avid hunter and outdoorsman but his heart was on the baseball field. He loved the game and the opportunity he had to make a difference in his players' lives. Shana was a loving wife and mother who was most often found at the baseball field supporting her husband and son. She treasured her children and dedicated every moment to ensuring their happiness. She especially loved her role as 'Mia' to her granddaughter Hadley Claire. Corey and Shana were genuine, humble, down-to-earth people who were willing to do anything to help others.

Corey and Shana will live on through their children, Payton Baze Ward (Seth), Baylee Baze, and Chase Crum; their granddaughter, Hadley Claire Ward; their parents, Randy and Sheila Crum and Danny and Sonja Millender; Shana's grandparents, Cecil Millender and Lena Raulerson; their siblings, Jodi Crum, Randall Crum (Kelissa), and Krista Millender Sharin (Blake), as well as through several nephews, nieces, uncles, aunts, and cousins. Corey and Shana were greeted at the heavenly gates by her grandmother, Kay Millender.

“ Corey and Shawn drove the pilings for our home in Eastpoint. While they were working with us, they felt like family members. The work they did was strenuous, challenging and meticulous but they always maintained fun-loving, positive attitudes. Whenever we saw them working in the area, we would stop for a quick visit to catch up on their current projects. Corey and Shawn will forever be a part of our home! Carry on the legacy of C&L, Shawn. That's what Corey would want!
