“ We will miss Harold. He was not just a friend to us, but in some ways a member of an extended family. While I met him through Pat, my parents quickly became part of the circle, as they shared a common love of travel. We have shared some good times, especially at Scottish games. Before moving to Florida, he was always there willing to lend a hand. We are deeply saddened with his passing, but know he and my dad are sharing stories and a good laugh upstairs. “ As a cousin of Harold's, I remember him as we were growing up in Md. I remember him playing with my brother James (Jamie) & he was Genie boy. As families go, we got scattered & I met he & his wife Pat later while visiting in Va. from Tn. Lots of time passed since then, but I still have my memories of Harold & his family. I am so sorry Pat, Charlene & Joyce for your loss. A cousin in Tn. Love you all. Pat Drinnon

“ I knew Harold all my life! He is my cousin. We grew up together and started elementary school together in Indian Head, Maryland in 1956. We used to walk home from school together to his house and wait for my dad to come by to pick me up and take me home after work. Harold was a fun and loving friend and cousin and will be greatly missed. We lost touch for many years after we grew up and I moved away from Maryland, but I've always remembered him fondly and always will. My deepest sympathies and condolences to his wife Pat, and his two sisters Charlene and Joyce, and all his friends and extended family. I will miss you, Harold. You will always be dear to me! “ A dear cousin, although we rarely saw you since we all grew up and went our separate ways, I will always cherish the times we spent together in our younger years. You will be sadly missed.
