“ We knew and enjoyed friendship with Ed and Sandy for 35 years. They were devoted to each other and always so much fun. Sandy was the most popular person in our respite care group and was still attractive and vivacious. Ed was a model of devotion and tenderness toward Sandy in her last year's untill his death. What a great couple they were.

“ Paige and Christy,

We are so sorry for your loss. Your mama was such a friendly, energetic lady; always sharing a smile and giving back to others within our community. Take some comfort knowing that Sandy and Ed are together again.

Sending love and prayers to both of you and your families.

“ Paige and Family,

I was so sad to read of your mother's death in the Tallahassee Democrat this week, Paige.

I knew your mother from working in the Florida House of Representatives in the mid to late 80s and 90s. I will always remember her as a sweet, lovely, pretty lady.

I know you perhaps even better though and want you to know, sweetie, that you are in my thoughts and prayers now and in the coming days.

Take care and know that there are people out there that love you.
