

Seth James Nettles

December 7, 2000 - August 23, 2020

Seth J. Nettles, 19, was called home by our Lord on August 23, 2020 due to a tragic auto accident. Why the Lord chose to call Seth home at such a tender age we will never understand, but we must be continually secure in the knowledge that we were blessed to have had Seth in our lives for his short 19 years.

Seth, our "Gentle Giant" loved sports and was passionate about the Florida Gators- (a tough situation for a household that bleeds Garnet and Gold). He dearly loved the Philadelphia Eagles and you could often see him in his Eagles jersey, his favorite! He worked for Publix from the time he was 15 years old and loved his job. He often spoke in glowing terms of the friendships he had with his fellow employees, and how much he enjoyed the customers he served.

We can never adequately thank our friends and family and the employees of the Park Avenue Publix for the outreach of love and support during this most difficult time. Of special note is our deep respect and appreciation for his uncle and aunt Bon and Danielle Clarke, and his cousins-Vanessa, Cameron and Colton. Their help and genuine love of Seth were highly valued. Seth enjoyed his time spent with this loving family and enjoyed many hours with them.

With deep appreciation we must thank Robert Kohler for the sincere friendship and mentoring he provided over much of Seth's short life. Kelly Barber of Bevis Funeral home deserves high praise for the compassion and professionalism she provided at this difficult time. Many thanks to the Tallahassee Police Department for the compassion shown by them on that horrible day when they delivered the tragic news on the loss of our beloved Seth.

Seth is survived by his two brothers, Sean and Sawyer Nettles, his adoptive Grandmother, Trish Sowell and her husband, Dan Evans and his father, Michael Nettles. Seth was preceded in death by his mother, Denise Nettles

He is also survived by his paternal grandparents, Bob and Latrelle Nettles and his maternal grandparents, James and Carol Pafford.

We would like to extend our deepest sympathies to the family of Chase Bean, the young man who left us in the same tragic accident.

The family will receive friends from 2:00PM until 3:00PM on Sunday, August 30, 2020, at

Bevis Funeral Home, 200 John Knox Road (www.bevisfh.com or 850-385-2193). The service will immediately follow with Pastor David Clark of Faith Baptist Church officiating. “ I had the pleasure of knowing Seth just a little bit. I shopped at the Publix we worked at and my son works there too.

My son and Seth liked to hang out sometimes playing video games.

I will miss you smiling face and gentle spirit.

Until we meet again...

“ I did not know Seth, but the beautiful tribute to him through the message of his obituary touched my heart. The magnanimous warmth expressed by his family and survivors is a beautifully selfless gesture to the family of the other young man who also died in the accident, and to those of us who long for examples of love and generosity in the world today. Your expressions of gratitude during this truly devastating time are a light and comfort for all of us. Thank you for the redemption of your Seth's death as a gift of love to others; I personally am eternally grateful. Knowing that a sudden, tragic death of a young family member is one of the most traumatic losses a family can experience, I pray that God will continue to be a very real source of comfort and encouragement and peace and love. That your tears of loss and pain will be replaced by tears of joy for having had the gift of Seth in your lives. I am so very sorry for your loss.

“ The term "gentle giant" appropriately describes Seth. We have known him from birth and have always seen him with a beautiful smile on his face. He was always extremely respectful and exhibited great love to his brothers and his Grandmother ("Granny Trish"). We will truly miss him when we visit Tallahassee. Our hearts are broken for the entire family.

“ Trish, Michael, Joe and Latrell, Sean and Sawyer. We are so sorry about Seth. Hard to make any sense of death of one so young and on the cusp of his life. We will keep you in our thoughts and prayers. Take care of each other.

“ Since we live in South Carolina, it has been several years since we have seen Seth but even at that young age, he was mature and very loving and protective of his younger brothers, Sean and Sawyer. He was taken way too soon and we grieve with you all. We send our love and prayers.

“ Trish, I want you to know how very very sorry to hear about Seth's passing. You have been a fantastic role model for Seth, Sawyer and Sean I know this has been an unbearable loss. Wish I could say or do something to make this easier for you but, that would be impossible. Know that you are loved. Sandy
