“ Steve was such a kind person. Always willing to go the extra mile for anyone. He would always have time to talk and ask how I was doing or how my husband was doing. If my husband or I ever needed something, he and Debbie would always be there to help. We will miss him dearly. Till we meet again dear friend. RIP. Toni and Brian

“ I'll always remember Steve at the FFWC. He was very easy to get along with and had a good sense of humor. We worked in the same graphics profession and saw our jobs transition from hands on work to computer graphics in the early 90s. My condolences and best wishes to Steve's family.

“ Steve was a gentle, kind man and lifelong friend. We played backyard football in our old neighborhood as kids and remained friends throughout life, sharing many common interests including art and photography. Steve always seemed to be in a good mood and liked to get out and explore life. He loved natural settings and enjoyed history, and looked for opportunities to be involved in the life of his friends. My wife Gail and I have had many opportunities to be with Steve over the years, and also with his beautiful wife, Debbie, after he became married. We will miss Steve but he left us with many great memories and we know we will think of him often. Goodbye dear friend.
