“ *Ms. Thelma loved "hymn night" at our Church and as Minister of Music I enjoyed watching her select her favorite songs of joy, redemption and worship. She was always sharing a "good book" with me and looked forward to receiving one in return. She and my mom spent many hours looking through Leon High School year books together on Mom's screened porch and talking about Jesus. She was soft spoken but very strong minded. You always knew where she stood on any issue, and she respected your right to disagree....even though she knew she was right.*

I will miss her "quickie phone calls" and funny laugh. I thank God that I was blessed to call her my friend.

Patrick, may God give you peace and comfort as well as strength for the days ahead.
