If you knew Barno, you loved him. This is just the simple truth. He was no ordinary man, but he would tell you he was. There was a light inside of him that shone from the inside out. You couldn't help but to feel it. He was a simple man, a fiercely loving man, and loyal to a fault. His humor would leave you unable to breathe from laughing. His extraordinary spirit will be felt in ripples...forever...in all of the hearts of us who had the honor of knowing him.

Breanna Green of Bevis Funeral Home (850-385-2193 or www.bevisfh.com) is assisting the family with their arrangements.
