“ Adam was such a go-to guy for so many things. I still find myself walking down the hall or start an email asking for his input or help. He was always willing to lend an ear or a hand. You will be sorely missed my friend.

“ Although I met Adam too late to share in his magic, I've heard enough stories to know he was a very special person. Strong, yet gentle. Able to sense things others missed. It was my loss for not meeting you sooner my friend. Suffer no more. Watch over us.

“ I didn't get to meet Adam and wish I had. I only know what his sweet wife (my cousin) has said and because of that, I feel as though I somewhat knew him. I know he will be missed and was special to so many. Thoughts and prayers are with the family. God Bless! Teresa Gregg
