“ Thinking of Bro, Gunn (papa) today. I sure miss him and think of him often. Enjoyed our little talks when I played the organ. He always sat behind the organ on the platform. I always took my shoes off and put them by the organ. Once he said, why do women have to have so many shoes. I just laughed.

“ Bro. Kenneth Gunn has been my pastor for 50 years. He will be greatly missed. His legacy will live on in many lives he has touched. He was more like a second dad to me. I will miss him, but I know that earth's loss was heaven's gain. May God bless and keep Sis. Gunn and all of his family. We love you.

Although saddened that Bro. Gunn has left us in our world, I am rejoicing he has obtained his reward. He is safe with Jesus and in no more pain. I can only imagine the reunion he had with Steve and Connie. Oh, the rejoicing that is going on. I can only imagine as he was taking his flight out of here, fight the fight children, run the race, don't give up. Sure gonna miss bumping into him. He was my pastor for 17 years. I always loved him. Another one who made it home. He is at peace. Prayers for Sis Gunn and family.

Brother Gunn was first and foremost, A Christian! Many years ago, men tried to tempt Brother Gunn to abandon his principles and True beliefs with a promise of guaranteed riches. He turned them down, because he was REAL! Brother you have finished your race and entered into the joys of our Lord. Thank You for paving the Way.
