“ Ann was a special person. Her aunt and uncle who raised her were my parent's best friends back when they all were young. She called them "Big Mama" and "Unc.", Joe and Elva Nails,two more very special people who provided Ann with a loving home and led her to become the kind, gentle and selfless person that she was. I have a treasured toy from my youth that survived only because after playing with it for years, I gave it to Ann who also played with it for years. Fortunately, she took far better care of it than I would have and gave it back to me somewhere around 50 years ago. It's a little toy crank up record player with an outside horn It's on a shelf nearby in my "office," and I think of Ann every time I look at it. In recent years we've only seen Ann once a year on our visits to Wakulla County. We were to see her again this November. We will miss those visits and always will remember Ann with great affection.

“ Mindy, Levi, Scout:  
Our sympathy on the passing of your beautiful Mother, Ann. I worked with your Dad at Wenco many moons ago. I have never met a more lovely couple than the two of them. Their love shined so brightly together. 🦋🦋

“ Ann was one of the sweetest creations of God. She was a very soft spoken and gentle lady with such a beautiful spirit. I enjoyed working with her for many years before she retired from FDOE. She always had a kind word to share to lift your spirits. She took very good care of our unit staff and "squirreled away" supplies to ensure we had what we needed. I will forever be grateful to have met her and share special bonding moments. Ann was much like the piece of amaryllis plant she gave me, she may have been small but she produced much! I will miss her warm smile and kindness. May her soul rest in peace.

“ Ann and I were friends as well as coworkers and I know that she was a wonderful person. She will be truly missed and I send prayers to her family. She loved her family very much, but her journey is now complete as she walks hand-in-hand with the love of her life, Bobby!
