“ Sandy and I attended NFJC together in Madison. He was a close dear friend. I had the privilege of knowing his dear Mother also, a wonderful lady. I can remember many days and evenings at the family home. Sandy and I also went on to UF, we shared a trailer our first quarter there. He was always with a smile. A great guy and I am so proud to have known him. My sincere condolences to the family.

“ Our family has many fond and happy memories of good times with member of the Smith family, including Sandy. I'm particularly remembering Sandy and our fifth grade teacher who had very trying time that year.
