“ Allison was one of the first people to greet us when we moved into the neighborhood. She made banana bread as a welcoming treat to eat. She attended school with my kids and also swam with them on the swim team. We are so heartbroken to hear of her passing. May God give each of you strength through this trying time. Such a beautiful, caring, thoughtful young lady. The McCrackins.

“ Allison was my best friend and has been since we were 15. She was one of the the sweetest, smartest, most caring people i have ever met, she had so much to give to this world. If I've ever believed in anyone in this world I believed in Allison Overholt and her dreams with my whole heart. She taught me so many lessons about love, friendship, and life. She introduced me to so many wonderful things. She was the best best friend, she was the maid of honor at my wedding, she was going to be the god mother of my future children, she was a beautiful human being inside and out, I'm so lucky to have known and loved and been loved by her. And to my dear Allison, a few words only you and I would understand the meanings behind: cows, banana, potato, cannibals chickens, so many candles, dollar general, the list goes on forever. I love you so much, thank you for the time, friendship and love you gave me, I'm going to miss you forever.
