Well Amos, You made it! A long and happy life well lived and a Huge family proudly looking up to you. We met about 50 years ago and I saw you many times at your work. Then years later we worked together at Panhandle tires. You are one of those people who make us better, just by knowing you and the example you set. Your legacy lives on thru Tiffany and Ryan's family as my neighbors for many Years. Well done my friend.  
I'm glad I got to see you one more time, but I believe we'll meet each other again.
