“ Dear Sweet Thea Sasa, I will always remember you and cherish the childhood memories and times spent with you. You raised a beautiful family and worked very hard to help them succeed in life. You had a great sense of humor and always wanted the best for your family. I am sorry that I cannot be there to say goodbye, but my thoughts and prayers are with you and your family. May the angels carry you to heaven and to the place where there is no more pain or suffering and just love and happiness with our Lord and Savior. I know how much you believed in His power and love. Please say hello to all the family and friends who are already there. This is not goodbye, but merely a phase to the next level our our existence. Please know that I love you and I know that we will see you again. May your memory be eternal my sweet Thea Sasa. We will miss you terribly.

To my sweet Uncle Argyri, Charlie, Helen, Irene, Shezaad, Barbara, Marcus, Anastasia, Arianna, and family: You are in our thoughts and prayers during this most difficult time. Thea Sasa gave you all the love she had and did her best. May you hold all the wonderful memories close to your heart and remember all the love, hugs and kisses. There is absolutely nothing like a mother's love.

Sending all my love and hugs to you all.
