

## Andrew Lee Bolin

June 24, 1987 - February 5, 2025

There are so many words to describe what a gentle, kind hearted man you were to everyone, the best father, husband friend, brother ,uncle anyone could ever ask for. You loved with everything and saw the good in everybody, you improved every day as a father and husband, you would go out of your way to go hunting and fishing with your kids even if your not feeling it. He was the first person to pull over and help somebody on the side of the road and no matter the situation you could light up any room with your smile and laughter. You will be forever missed, until I see you again we love you so much.

Andrew is survived by his wife Stephanie and his kids Cadince, Andrew and Donald.
