“ I still remember the trip I made with mom, Todd, and Mike to go visit Aunt Chris and Uncle Carl. We stayed at her house and stayed up late just talking then we went to see the ocean and took my first ever boat ride. We all had so much fun. I really wish I could have made a trip down to see them before this happened. I love all of you so very much and please know that even though I couldn't get down to visit I thought of you all, all the time and I love and miss you. Aunt Chris you meant alot to me and Uncle Carl and you were always there when I needed you the most. Please say hi to my mom and watch over all of us. Uncle Carl I love you very much and wish I could be there for you :( Shewill be greatly missed and I will cherish all my memories forever!

Her & Aunt Bobby are probably laughing over a drink right now. She loved you very much. Dad & the rest of us know that you are here with us in spirit and heart even though you couldn't be here physically. You are always in our thoughts and prayers. I'll make sure dad sees this.
