“ *We have known Tricia and Ann Marie for a very long time. What a wonderful, loving young woman who bravely lived through her medical condition as if nothing was wrong. Her mother was always there to add love and support, and enhanced Ann Marie's being. We were sad to hear of her relapse, and, now her passing. She will always be a loving memory and a bright star in the sky. God Bless you. Ann Marie. And God Bless Tricia.*
