I give you this one thought to keep
I am with you still. I do not sleep.

I am a thousand winds that blow.
I am the diamond glints on the snow . I am the sunlight on ripened grain.
I am the gentle autumn rain.

When you awaken in the morning's hush,
I am the swift, uplifting rush of quiet birds in circled flight.
I am the soft stars that shine at night.

Do not think of me as gone.
I am with you still in each new dawn.
