“ *My condolences to the family of Anne. My mother and I met Anne at Westminster and she was such a blessing to us. She invited us to sit with her and treated us just like we were family. She was such a good Christian woman, so sweet and kind to everyone. We had every meal with her for about 3 weeks with much talking and laughter in between. We kept in touch with her after my mom was released but the impact Anne made on us will last forever. She always acted so excited to see us and had just the sweetest nature of anyone and a true smile that made you feel great. I will treasure our time with Anne, the stories we shared and always remember the warm hand holding while she led us in prayer before every meal. She loved the Lord and her family very much. She was so proud of all of you. She will be greatly missed. Karen Roberts and Mary Griffin*
