“ *Olivia, Pauline, Annie,*

Aunt Annette was one of the most loving and caring ladies, she truly was an angel on earth.

She was always glad to see you and always sad to see you leave. She always had a "little" something for you to take home, from a few pecans from her tree to a homemade pot holder, all gifts from the heart.

I will always remember her and my mother-in-law (Aunt Zader) and their love for each other.

She truly was one of a kind. We were all truly blessed to have her in our lives.

Love and prayers,

Betty and family

“ *Aunt Annette was of the great gentle souls on earth. Her smile was always straight from the heart. I cherish the times I would sit with her and grandmother listening to the old wives tales and watching them laugh. The phrases "now Net" and "now Zader" still make me smile.*
