“ Ms Annie and I have known each other for about 20 years. She was always so sweet. She was proud of living in Woodville. She would invite me to her home after Ferrell and I moved to Woodville. We would discuss flowers she had in her yard, give me cuttings and in general educate me about the flowers. She also told me about the history of Woodville and who owned what land and went. I always enjoyed visits with her.
She's in heaven planting flowers now. Loved her.

“ There's so many memories that it is hard to pick one, so I will share two. When I was six and my Aunt Ruby was 16, she was playing play house with my sister & I. She had to stop and get ready for a date. We were so upset that she wouldn't cancel her date & stay and play with us. She has always taken up so much time with my sister, Sara, & me. She was the aunt that grew up with us. This was my first memory of her.

The last really good memory was last year. I picked her up at Centre Point for a beauty shop appointment. Afterwards we bought a whole fried chicken & fries. We went to the new Cascade Park and had a feast. I took Palmer's electric wheelchair for her, and she had a ball. You would have thought she had wings. (Which she does now, I'm sure) Ruby told me "I just had to see how fast it would go." After we got back to Centre Point, she started sharing her left over chicken with the other residents, as well as stories about the beautiful park and the fast wheelchair ride.

So sorry this is so long. I loved her a lot, and will always have such wonderful memories.

“ We are saddened to hear of Ms. Ruby's passing. We remember her chaperoning all of us at the Woodville Firehouse back in the day. She danced with all of us and had as much fun or more than we did. Such a beautifully spirited lady. We are honored to have known her! God Bless You All & Rest in Peace Dear Lady! Maurice & Mary
