“ I will never forget the tremendous love and support our family received from David when our Grandson, Nolan died in April. He was here practically every day and he didn't come empty handed. He was uplifting and joking around. A very special man and loved by so many. We are going to miss him, but I am sure him and Nolan are enjoying Heaven together. Rest easy, David until we see you again. Tommy and Peggy Haire

“ David was my ex husband and the father of my children. He was a good man and a great father, he loved those boys immensely. Everybody he met was a friend, he loved everyone. We didn't work out but I will always care for him and his family.

“ Such a special man, David was my ex-husbands Best friend and when my he got diagnosed with Parkinson’s and then a nerve degenerative disease that eventually immobilized him, David really helped Bryant out A LOT- he did so much for Bryant and for Bryant’s dad out at the farm in Greensboro. David was also there for my son & has been there for my son Bryson, Our sons played baseball together. David is at peace now up in heaven with Bryant (I’m sure talking sports.) May God wrap his arms around his sons/ family during this time of sadness. RiP 🙏
