“ It is sad when there is a loss of someone as dear and special to us as a father, brother, husband and friend. Yet because of that loss we come to together as a family and remember fond memories of our love one. But as we contemplate this loss, we may wonder, why do we die? what happens to us at death? and is there any hope that we will see our dear love one again? The Bible assures us that we will. Jesus spoke of the resurrection hope at John 5:28, 29 when he said that there is going to be a 'resurrection of the righteous and the unrighteous.' How wonderful it will be when we will be brought back together as a family to enjoy life forever. Jesus made this possible by means of his shed blood. (Romans 6:23)

*If we have confidence in God's Word, surely we will know that we will see our loved ones again in Paradise. (Luke 23:43)*
