“ *Uncle Moses called me Little Hammer Head cause I was like my Dad , hard headed. Our families spent many a summer vacations down at St. Georges Island. There was only 1 store on the island and not phones, We had such great times. Love you all and my heart is with you all.*

“ *I was just a "wet behind the ears" college boy when I started working at St. Joe in July of 1981. Moses took me under his wing and taught me about the timber business. I learned a lot during the eleven we worked together. I will be forever indebted to Moses for the lessons I learned and for the memories that were made. My thoughts and prayers go out to the family and friends. Tom Moore*
