“ Posted on FB when I first heard:
~She took time at 17 to hang out with her
10yr old cousin in 1977, cool chick that she
was
She gave her a green macrame purse so she
could be a hippy too
She told her younger cousin that even if marriages aren't meant to
be in the long run, it's all about your child, no matter what
She road with a life sized sock monkey in the passenger seat, just
because she could
I will miss you Cuz, my friend~

Still heartbroken and so very sad not to be able to be there
tomorrow. So many memories and late night talks... I'm praying for
you Michael. Know I will be celebrating her as well HUG

“ I remember Barbara from our school days as kind, caring, and with
a wonderful sense of humor. Thoughts are with Michael at this time
of loss. - Ron
