

Becky Crawford

September 23, 1952 - August 30, 2019

Becky Lowe Crawford, 67, of Franklin, North Carolina (formerly Quincy, FL) died unexpectedly Friday evening, August 30, 2019. She was born September 23, 1952 in Bluefield, West Virginia, to Jim and Lucy Hammer Lowe. She along with her parents and brothers moved to Tallahassee, Florida in the 1960's where she spent most of her life and where she graduated from Rickards High School in 1971.

She met the love of her life, Tom, at the local drag racing strip in Tallahassee and married him in 1971. After he joined the Florida Highway Patrol in 1973, she became the "wife behind the badge" moving with him to their lifetime duty station in Gadsden County, Florida and supporting him throughout his FHP career. She began the path to her own career by driving a school bus for Gadsden Christian Academy and becoming a teacher's aide in kindergarten. She later became the full time kindergarten teacher at Gadsden Christian/Tallavana Christian where she taught hundreds of children to read and write throughout her career. She was also known for her K-5 graduation productions that she wrote and directed each year. She later worked at Little Lambs Pre-School where she continued her love of teaching until her retirement.

In 2015, she and Tom fulfilled a dream to move to the Western North Carolina mountains where they found the perfect stone house on a hill where they

could enjoy the rest of their lives. She was known to sit in her rocking chair with a cup of coffee on the front porch as she caught up on the day; where she fed the birds and animals and talked with the neighbors. Her front porch was the favorite place for the neighbors to stop and “sit a spell”.

Her life motto was that “strangers were just friends you haven't met yet” and she believed that wholeheartedly. Whether you knew her as “Miss Becky”, Mrs. Crawford, Becky, Aunt Becky, Mom, Grandma Becky or Goonie - she touched the lives of all that knew and loved her with her friendship, her outgoing personality, her hugs, her contagious smile and laughter and her love. We will miss and love her forever. She loved her “dragonflies”, the Florida State Seminoles, making quilts, exploring the mountains, watching Outlander, traveling and being a wife, a mom and a Goonie to her family.

Becky was preceded in death by her parents and her brothers, David and Kevin Lowe and her brother in law, John Crawford. She is survived by her husband, Tom Crawford of Franklin, NC; sister-in-law: Linda C. (Lee) Brega of Pensacola, FL; daughter, sons and daughters-in-love: Tracie Crawford of Franklin, NC; TJ Crawford of Havana, FL; Matt (Lisa) Crawford of Quincy, FL and Dave (Misty) Pritchett of Weeki Wachee, FL; her 8 grandchildren: David (Kirsten) Pritchett, Matt Crawford, Drew (Makayla) Pritchett, Anna Machado, Grace Machado, Ashley Pritchett, Jackson Machado and Collin Crawford and 4 great-grandchildren: Wyatt, Aurora, Maci and Madilynn; numerous nieces and nephews; her grand-pets as well as her many dear friends.

In lieu of flowers, contributions can be made to the American Heart Association (www.heart.org) or The Michael J. Fox Foundation for Parkinson's Research (<https://www.michaeljfox.org>) .

A memorial service will be held on Friday, September 13, 2019, at 10:00 a.m. at Bevis Funeral Home with visitation following. Burial will be at the

Tallahassee National Cemetery at noon. A Celebration of Life will also be held in Franklin, NC at a later date.

“ Finding words is difficult.
She was one of my "extra moms". The absolute kindest woman I've ever met. Miss Becky could love people when they didn't deserve her love. She was the epitome of a "caretaker". She has been a part of my life for as long as I can remember.
I am going to miss her amazing hugs, her laugh, the pictures of her adventures,.. but mostly I'll just miss her.

“ I had the pleasure of being one of Mrs. Crawford's kindergarten students in the mid 90s. I gave her classroom themed blanket as a present that year. Years later I went back to visit her classroom and there that blanket was on the back of her classroom rocking chair. I still think about that all the time and how that was just one of the many ways she showed her love of teaching and her students. Not only does she live on through her family members, but through all the lives she touched through her class. She will certainly be missed. Xoxo, Brittany Fauble

I will miss her every day. I know there was a celebration in heaven when she arrived. Rest easy sweet friend I love you. She made two of her beautiful quilts for my sweet granddaughter Georgia. We will always cherish them. Tom and kids we love y'all. We are here to help if you need anything love yall.

“ *One of the things I loved about Becky was we could laugh and cry at the same time! She was always up for a random adventure or a simple cup of coffee. She was a good sport when she was the target of a joke and a master at giving them. From happy meals to wet pants to frozen panties and pink tutus! I could count on a laugh!*

I could also go to her with a heavy heart and my friend would pray and cry with me. She was generous with her love and her talents and her hugs were second to none! She lived her faith and now she is home. Fly high Becky Sue and enjoy the scenery from that side.

“ Oh wow....this hits as hard as it did the moment I read Tracy's announcement of her passing! 😭😭😭 My fond memory among many was my kids Kindergarten Graduation production! "Western Theme" 1st pair of cowgirl boots my baby girl Katelyn, now 17 ever had. They were pink & Brown and 😊 It was a chore getting her out those boots for awhile after that night. She award my Katelyn with the best handwriting & and best dressed award because my little princess was always accessorizing with her "school uniform" 😂! You would have had to seen her to believe it via her big sister who was in 6th grade and used her as her own dress up doll 😊 Our families Love, Support and most of all prayer is in full effect for each of u individually & collectively! We are blessed that God allowed our lives to cross paths! ❤️💚💜💙💛

“ *We are so saddened by the passing of a long time friend and beautiful person. Becky was a high school friend and took care of both my children when they were young and was a blessing to was me and them. She had a beautiful heart and a wonderful happy smile for others and will be greatly missed here on earth by those who knew her. I know Becky is having a big beautiful party in heaven with many loved ones she was looking forward to seeing again. May the love of God be with her family and help them in their sorrow. *Tracie, this revelation has tickled me to no end. They met at the drag strip and then your dad went on to be one of most feared Troopers in the history of the Florida Highway Patrol! No wonder he never minded a good pursuit.
I love this picture.*

“ Mom,

I don't know where to begin. These last few days have been some of the hardest I have ever faced. Just know that I am proud to be your daughter and to have had you as my mom and best friend. I will always miss your smile, your laughter and your hugs. I will miss our discussions of my latest genealogy finds and the latest episodes of our favorite shows - Outlander and NCIS; watching reruns of our favorite movies (Sound of Music and the Wizard of Oz) and visiting our local antique stores here in Franklin. Life is never going to be the same but you have taught me everything I need to know to live without you being physically here. I'll love you forever and always.

I feel so blessed to have known her, just being with her made me a better person. She loved her family, friends and most of all her Savior. She was so talented and creative. She would show me her quilt ideas and her finished quits and I was awed. She had such a fresh perspective on life. Rest in peace my dear friend and we will see you again someday. Kay Hamm
