“ Pat - It has been years since I have seen you or your mother. I guess it was at Lucas's wedding. But I will always remember the few times I spent with the both of you. I particularly remember us being somewhere, maybe Posey's (back in the day) and then going to eat at Waffle House. Your mother was in rare form with all of her "wit-a-cisms". There was a fellow named JJ there with us, and the slogan became "Mama SAID!" And what "Mama SAID" went.

She was a wonderful and unique individual who always made me laugh. And I'm sure you are going to miss her terribly. Never realized she/y'all were in Crawfordville because I have friends there and visit often.

My thoughts are with you and your family.
