“ *Linda and family...I am so sorry to hear about your mother. I feel as though I knew her personally through the photos and special times that you shared via Facebook. She was a lovely lady, and your love and devotion for her was a beautiful story lived out loud. I know your heart aches with the pain of your loss, but I know that you rejoice in her homegoing and her eternal presence with our Father God and His Son Jesus. I pray for peace and comfort and strength as you face the days ahead. Love to you and your family.*
