“ Although we will not be able to attend Betty's funeral, please know that we have you in our thoughts and prayers. Mother always felt close to all of Aunt Mitt's children. She was especially fond of Betty. I have always admired Betty for her strength and determination. She was a remarkable woman.

“ I will always cherish precious memories of spending time with Aunt Betty, Uncle Alvin, Kelly, and Karen. Among my favorite memories are the regular Sunday lunches at Granny's. I would later tease Aunt Betty about her famous recipes courtesy of Publix and KFC. However, some of my favorites dishes she prepared herself included potato salad, brown rice, and her delicious Fruit Cocktail Cake. Throughout my life God has provided examples of strong Godly women. Aunt Betty was always a beautiful example of strength and perservance. Her legacy lives on through her beautiful daughters and grandchildren. May God wrap his loving arms around them during this difficult time and provide the peace & comfort only he can give. We love you all!
