“ *Becky and I, and especially our Yorkie Roxy, will truly miss "Uncle Bob.". He was a good friend and the best landlord for our company that we could have ever wanted. Roxy will really miss her carrot treat every morning at the office. He was one of the most genuinely nice Southern gentlemen I ever knew.*

“ Bob always made time. He was a great friend and mentor. I always enjoyed my visits with Mr. Liles. When I needed some advice, a hug, someone to listen.... I always knew that I could just pop in on him and he would be like "take a seat"... "do you want to go and grab a bite", and God forbid that you should try to pay. Bob was always the most generous with any and all of his resources, be it time, money, sound advice or love. You sir, will be greatly missed, because you were so greatly admired and loved. Thank you Mr. Bob for always making me feel welcome. Mr. R.

“ Bob was the best landlord EVER to Phoenix Environmental and will be sorely missed by all of our Phoenix Family. He had such a positive outlook on life and was always encouraging no matter what was happening in his life. We all feel very blessed to have known Bob and pray that his family is comforted in knowing that he was a very special man to so many people. Bob is no longer in pain and will be spending his time watching over his family and his friends - may God bless all who knew him!

“ *What a treasure of a man, none greater than he and absolutely irreplaceable, my heart is filled with sadness, I am a much better person because of the friendship we shared. I am comforted that he shares a seat at the Saviors feet and is completely whole again and not in pain. Patti, my heart is broken for you, I love you and am praying for you over the loss of your husband, friend and buddy. Pam, Judy & Bobby I am so sorry for the loss of your dad, I pray for you peace and comfort in the days ahead through this time of great loss, I love each of you and am here for you should you need me for anything!*
