“ I know the family has saddened hearts because of losing Bobbi. I want to share this beautiful scripture where our heavenly father promises us that he is going to do away with man's greatest enemy, death. Rev. 21: 3,4; "With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his people. "And God himself will be with them." And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. "The former things have passed away." It is my prayer this scripture will give you comfort in your grief.

“ I will greatly miss Bobbi. She was such a caring person. I remember her joining Citizens and how she gave everyone a chance. She would let anyone into her office and listened and offered sound thoughtful advice.

She was a very special person and I know many of us will have a void but I also know she is in a much better place watching down on us all with that beautiful smile.

God bless you my friend.

My condolences to her family.

“ My mind cannot yet accept that I will not see Bobbi's beautiful smile again in this world; and that makes me sad. However, I know as a child of God, she is with her Lord and Savior. Family, I pray that you find some measure of comfort in that truth.

"Do not let your hearts be troubled. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also."

“ *When I came to work at Citizens almost two years ago, Bobbi was fighting the cancer that just now took her life. As I came to know her in the intervening years and watched her struggle with it, I never thought that this moment would come. She was so incredibly tough that it didn't seem possible that we would lose her so soon. But here we are.*

I only knew Bobbi in her professional life, and with me she was all candor and concern about getting the job done. I can't help but think that she is looking down on us wondering what all the fuss is about and worried that we are going to miss a deadline. Then again, perhaps all of her cares and worries have been lifted. Either way, I know that while we are worse off now that we have lost her, we are better off for having had her in our lives.

“ I worked with Bobbi for five years, and I always appreciated her work ethic. But there was no mistaking her priorities--her family (especially her kids) always came first. Bobbi's loved ones made up the most important part of her life. This was a priority she inspired in everyone around her.

Bobbi will be missed, but we are all better for having known her.

Once you met Bobbi you remembered her for life, her thoughtfulness, kindness for others left a lasting impression on you. I loved looking at her pictures she shared on Facebook, the memories she made with her family and friends are amazing, each picture shows her love for life. I hope her family can look back on them and those Kodak moments in their heads and hearts and find some peace. I will pray for her family and friends in this difficult time. “ *I remember when I first met Bobbi. I told her my mom's name was Barbara but that she went by Bobbi. I was eager to work for her. When I finally got an interview for a position in her department, she didn't choose me for the role. I was so broken up about it---and so was she! She was in tears. She didn't want me to be discouraged because I wasn't selected. She said the position wasn't meant for me, but that when the right opportunity came around, she'd keep me in mind. Well she did. I got to work with her and she was a supportive boss while I went through my last year of grad school. When I put in my notice and told her I was moving to Jacksonville, we were both in tears in her office but she told me she understood and encouraged me to go after the opportunity. She was a good boss and a great person and a fellow die hard Nole girl. Funny, straight shooter, kind hearted, and memorable for sure. Look out for the other Bobbi up there... Your loved ones are in my prayers.*

“ I will miss coming to your office to vent and talk about people! We had such good times being angry together, laughing together, and sending each other secret glances to agree about what we both had just seen!

Remember that time we went thru the drive-thru Krystals in Jax...they asked you what type of drink you wanted with your meal, and you shouted, "More beer!"

As a childhood friend of Wesley, Bobbi was always so kind and giving to me. Every couple months I would stay the night down at Lake Talquin were Wesley and I would hangout, fish and inevitably get into trouble. I can remember her cooking us breakfast and scold us for staying up too late. Then later that day she would have to scold us again for something else while she was fixing us dinner. I was a troublemaker, but she always forgave me and invited me back into her home, usually to tease me for whatever I had gotten into trouble for last time.

She was a sweet and beautiful women. I feel blessed to have known her.

Heaven gained another angel. She was spunky and fun, she was kind and loving, she was a great friend and even better mother. She would cheer for you, but also tell you like it was, when she needed to. I'm going to miss her very much. Betty, David, Wesley, Carson and Baylee, my heart goes out to you. Kerry, Cathy, Angie and Melanie, she would tell us to dry up those tears, so, you know what to do. :) Though she is gone from this world, she lives on, in our hearts and eternally in heaven. Sending love, thoughts and prayers to all.

When the cares of my heart are many, your consolations cheer my soul. Psalms 94:19
