“Bj, I Love You and I want to thank you for being my shepard when i went astray.. You and Sissy both showed me what truly loving someone meant...Its no secret Addiction id a cruel uncaring disease that tears apart solid relationships and families..I guess what im saying is Baby..."THANK YOU" from the depths of my heart for trying over and over and over to fix me . I am Greatful... Now,...Talking bout LOVE?..... Well, I know that as soon as she saw her babies get out the car and walk through them doors..... her pain instantly would go away ... Still there but unnoticed .... It hurts your gone Baby, but Im at peace with the fact of knowing your not in pain . People are probably gonna stare and make strange faces when they think Im crazy talking to empty spaces...lol. But I don't care ! your my Angel and i know how strong you are... I will make you proud cause I know how much you cared... Baby as much ad it hurts I want you to go ..Chase them butterflies baby I know how much you Loved Krista and I could just see you two now.. woooooow... I could see your smile light up the gates of Heaven. You deserve to be up there.. God calls us when he sees fit... They must have needed a baby sitter up there... Don't worry baby, I'll be fine, I'll keep in touch with Tyler and Sissy and of course those Grandbabies... I LOVE AND ALWAYS WILL LOVE YOU ..... until we meet again..... I hope the Angels know what they have!!!!!!
