“ *Tracy and I have a place at Bay North, where Bobby lived. He was one of the first people to introduce himself to us and embrace us with open arms. One thing that I loved about Bobby is his willingness to love no matter who you were. He would help anyone that needed it and be the FIRST to offer a helping hand. He came to our home a few times for cook outs and was always the life of the party. He will be greatly missed. I hope that many people will learn from his giving soul!*
