“ I am truly saddened to know of Bobby's passing. His friendship will be greatly missed. Bobby and I met while working together at T-Mobile in Phoenix in 2003. He welcomed me into the fold and we became fast friends.

Bobby, the laid back southerner from Texas couldn't have been more friendly to this city boy from Seattle I looked forward to hearing his daily stories of life in the south.

To Pamela and his family, please know that Bobby is in a better place now and that he didn't have to suffer the terrible effects of a heart attack had he survived. He had a great life which he shared with his family and many friends. I am truly blessed to have known Bobby.

Rest in peace, my friend.

“ To the Family of Bobby Puyear I worked with your husband and father with Ericsson for the past 3 years he was a great guy. We had our morning calls and would talk and ask questions always laughing and would make your day just start it off right. My heart goes out to you and words can't express the sorry you feel or the loss we all have to endure. I know he is looking down from the heavens and will be watching over you. God bless you and your family and if there is anything you need please feel free to reach out to me. You will be missed Bobby. Rest in peace buddy and happy hunting in heaven my friend.

“ I met Bobby and Pan on their first visit to our church. We automatically greeted each other with big hugs and our hugs continued every time we met. We laughed about our love of hugs - a symbol of a true Salvationist!! Bobby and Pam not only were an integral part of our church family but were also Guardian Angels to my Grands and I. We will truly miss Bobby in our lives but we can take comfort in his continual rooting for us in Heaven. R.I.P., my friend. ❤️

“ *Bobby,Pamela;
So few people in this world are willing to give of themselves for the betterment of others!
you were truly an exception to this. You opened your life and family to Nona, the boys and I and I will never forget you. You lit up a room, a jobsite or any other place you entered. God will be pleased that you entered Heaven and brightened up your new home.
We Love You Unending!

“ Bobby, I love you man.

Bobby (Family of Bobby),

I love you man and greatly appreciated talking with you in the recent past.

When I left the Navy and started my telecom career, you were one that took me under your wing to nurture. I can't say enough how much I appreciate ANYONE willing to lend a hand, their knowledge, their self-worth... you had and have that Bobby!...

Bobby,

- 1. You were a mentor to many of us that wanted to be more involved in telecom.*
- 2. You never held back to ensure your future, you gladly shared your knowledge and thought that everyone with the right attitude, and aptitude to learn had a place in telecom.*
- 3. With perseverance we would ALL make a great life supporting carrier and other wireless needs. Providing a great life to our families...*
- 4. God bless you and your family.*
 - a. I don't have the words to express my feelings...*
 - b. I just look forward to the day we meet in the happy hunting grounds...*

Your friend always, Shalako Parsons

“ Bobby will always hold a spot in my heart remembering our youth together. Baseball, Football, Track, Basketball and Golf. We played them all and went at all of them HARD!
His family moved before going into High School, but we had life-long memories to share prior!
Bobby will always be remembered!

“ I will always be grateful for our Wednesday evening Bible study where I was able to see Bobby’s faith demonstrated when he told of God’s presence in his life. He was a man of few words but when he spoke, his message was profound. Our corps will miss his jovial presence and his “Bobby hugs”. When the praise team invited us to “greet your neighbors” Bobby would share his smile, hugs and handshakes with everyone! He even hugged strangers (Tallahassee Theater Glass Menagerie)! We will miss his presence but know he will be waiting for a boisterous reunion in heaven He was a good man.
