“ Not sure where to begin. Brad you helped bring me and countless others into the world of Cowboy Action Shooting. Time spent you on the range was always quality time. “ I have no memories of Brad as I never had the pleasure of meeting him in person. What I do have from Brad is the continued enjoyment of what he and his dad started. The Fulton Pathfinder cowboy action shooting club. Thank you Brad for all your hard work in building something so many enjoy. Thank you for giving us so much. I hope when i take my last ride into the sunset that we are able to meet and shoot a stage together. Thank you again and you will be missed by many. *Calem Ware aka AL VanTassel*

*Very sorry to hear. Got to know Brad at PP back in 2002 or 03 or so before he moved to AZ. I was very new to CAS then and always enjoyed his matches; we were all so young then. (Doc Perry, Sept 26, 2013; Newton NC)*
