“ *Carrie, Joe and Family, Deepest sympathy from Braiden's friends and co-workers at FSU Campus Recreation. Braiden was a beautiful soul who loved working in the outdoors at the Rez and RSP. He was a hard worker and we could count on him always to get the job done the right way. We were so fortunate to have him as a friend and co-worker for the short 3 years he worked with us. We will miss him dearly. Our thoughts and prayers are with you during this difficult journey. Peace and prayers. Pattie Malarney*
