

Brian Nelson Durrance

August 8, 1975 - January 30, 2024

Our hearts ache for the loss of our son and brother, Brian Nelson Durrance, who passed away on Tuesday, January 30 in Altamont Springs, Florida. He was 48 years old. Brian was born to Connie Dee and Joseph Oscar Durrance in Tallahassee on August 8, 1975. He was the fourth of ten children and one of five sons. He was a kind, gentle soul who loved his family, his friends, and his cat, Toby.

Brian grew up in Tallahassee and attended Leon High School. Living in Tallahassee, and as a member of the Durrance family, Brian developed a love for all things Florida State, which included collecting shirts, blankets, and socks that displayed his favorite team's logo.

Brian enjoyed playing Xbox with his friends and brothers, and he also had a passion for music. In fact, when Brian was young, one of his Sunday School teachers even commented that Brian was her loudest singer. Clearly, his interest in music began at a young age and was an important part of his life. Brian would call his mother, sister, or friends with a new song or the lyrics of a favorite song, often sharing why the words were so important to him. Reggae music and the band, Stick Figures, were among his favorites. Brian also enjoyed attending concerts with his friends, and they have many good memories of their time spent with Brian at these events.

In the past several years, Brian also became interested in online sales. He spent endless hours researching all aspects of opening and operating an Amazon store. Brian truly enjoyed all aspects of running this venture and was very proud that he was able to grow it into a profitable business.

It is difficult right now to express how sad we feel and how much his voice and daily phone calls will be missed. We know that as he passed through the veil of this life, he was greeted into the loving arms of his baby brother, Jonathan, his grandparents, and his Savior.

We want to thank all those who love Brian for your kind words and prayers for his parents, siblings, and friends. Though it is difficult, we know that our Heavenly Father is with us. We will feel at peace in the knowledge and understanding of our Savior's love as we come to terms with our loss.

Brian was a member of the Church of Jesus Christ of Latter-Day Saints. Services will be held at his childhood chapel, located at 3717 Thomasville Rd, on Saturday, February 10th at 11:00 am.

A dedication of the grave site will be held at Tallahassee Memory Gardens on 4037 N. Monroe Street immediately following the service.

Todd Walquist of Bevis Funeral Home is assisting the family with all arrangements (850-385-2193, www.bevisfh.com).

“ *I wish I had a picture from that day, it is one of my cherished memories from my youth! Riding in a limo, attending a Smashing Pumpkins' concert, and then going back stage to meet the band.. all you with you Brian Durrance! You went with me because we knew Mursi wouldn't go to a concert with me (not his cup of tea) but you did and we had a blast! Wish we kept in touch as we grew older and it's moments like these you want to hold those you love a little closer and reach out to those you should always be in touch with! May you rest in peace and know that you were loved!*

“ Brian was a good friend and sweet guy, not just to me but my entire family and fur babies too. I was glad that he lived close by as we helped each other with our pets when one of us was out of town. Felt good to trust 100% that our home and animals were taken care of. We also helped bring in the many many Amazon packages for his online store when he needed. Lol. Bummed I never got to do the online business class from him. He had so much knowledge and was so passionate about the business. We are going miss having him over for a random weekday dinner and talk and vent about the crazy going on in the world. We shared a love for music and have an amazing music family that loved Brian so very much!!! I'm so going to miss him! Rest in peace dear friend. Love you always and forever!! ~Bridget
