“ I am so sorry to hear of the passing of Brooke. I lived in Tallahassee years ago and Brooke and I became good friends. As the years passed we lost touch but I remember her being very funny, smart and always gave me good advice. She got me through a hard time in my life which I will always remember her for. My thoughts are with her family. May she rest in peace!

“ Brooke was hilarious and brilliant. She was a genius on any music & movie trivia and, I always learned something new talking with her. I loved hanging out with her and Landon and always left in a better mood. The love they had for each other was palpable.

“ I knew Brooke and Landon through PAT Live. I always appreciated her sarcasm and directness. She was brilliant and caring. I know how much she cared about Landon and the effort she put into their relationship. I also know how important she was in his life. Throughout the years she was his rock, his strength. She was truly special. My thoughts are with Landon and her family.

“ I met Brooke in 2012, when I hired her as a judicial assistant. We soon became close friends. Brooke was intelligent and quick-witted, engaging, funny, vibrant, resourceful, spontaneous, and free-spirited. She had a beguiling smile and bright eyes that seemed to metamorphose in step with her mood. Brooke enjoyed music, movies, and TV shows—music especially. She had a great sense of humor, which she never lost, even joking and laughing during what turned out to be, sadly and unexpectedly, our last conversation. A natural storyteller, Brooke could recount plots in rich detail. You didn’t want to interrupt her, either. “Let me finish!” she would admonish, in mock exasperation. When Brooke’s voice fell untimely silent, so much color drained from my life, and I will miss her more than I can say. Good night, dear Brooke, and flights of angels sing thee to thy rest ...
