“ *I met Bruce when we were teenagers at Godby High School. We were in numerous classes together and every day in English class I'd share my lunch with him. He would keep me laughing all during class. He was a kind hearted, humorous, nice guy. To the Marsh family, I'm so sorry for your loss.*

“ *How can we thank you for all your help, support, prayers, kindness, and love during such a sad time. You are very kind and warm people. Thank you for making my uncle's final time so special. His unique nicknames, his nonstop jokes, backyard projects, one of the kind person, stories, his company... A few of many things that we will miss. Forever in our hearts, our sweet Bruce. ❤️*

“ I met Bruce a few years ago when he came to TCC Financial Aid Office and we instantly became buddies, he would have the front desk call my office and say my husband was here to see me and when I get out front he would burst out laughing, we would talk for at least an hour, if I see him in publix my real husband would wait on us to talk, I am going to sorely miss him and I am praying for the family because I know you all will miss him more.....RIP my buddy ole pal

“ I was one of those fortunate people to have a given name. RHONDA with an "H", because Papa Marsh called me Rhoda and Bruce had to get that "N" in there. Ms. Vonnie, Steve and Susan You all have always treated me like family, and I will miss Bruce very much, but I know he is in a much better place now. My Love To The Whole Family!!
