“ *Bryan was a great fellow to hang with. Back years ago when we drove trucks together it always seemed that we were always partnered together. we had alot of laughs and did some crazy things back in the days but it was all for laughs. He was never cruel to anyone.. When Kim and Bryan first started dateing I knew he loved her with all his heart and soul. He never went a day without talking about his daughters, Brittney and Angela. They were the apple of his eye.. You will be missed Bryan I pray God has you watching down on them right now.*

“ *This still doesn't feel real. We were just joking and picking on each other with our little friendly competitions. I will miss the interactions I had with you. You were a great person and friend to our family. I thank God for the opportunity to know you and become part of your life.*

I just want to say, since the loss of Bryan, not a day passes by that I do not think about him. It is hard to comprehend why such an unfortunate thing happen to one of the nicest men on earth.

“ *Bryan was always doing something for others. He's got a heart of gold! I will never forget the holidays he spent with us. He's one heck of a ham carver! We will miss him dearly. I agree with my daughter in law, he was a special father and loved his girls very much! Every time we talked, the conversations had something to do with his girls. Fly high with the eagles my friend, we will someday be reunited!*

“ *The one thing I remember the most and will always remember is how much he loved his daughters. He always had his youngest daughter with him everytime I saw him, and you could tell just by looking at them that they had that special father-daughter relationship that all fathers dream about. They were so close and did everything together. I'll always remember how great of a friend he was to our family. He would drive all the way to my parents-in-law's house to let their dogs out everytime they would go out of town. He was an amazing person and his memory will stay with us forever. We love you, Bryan. I know that you are in God's hands now and in such a better place.* ”
