“ We were so sorry to read that your Precious Brylee Louise Grim has gotten her Wings way to young, it's not easy to lose a child at any age, we know because we lost our Angel Shawn when he was 17yrs old to cancer, 20 yrs ago the reason I'm telling you this is because we know what it's like to lose a Child & it's hard I still greave for him. Don't be afraid to talk about her because that's how I keep him Alive! We Pray that our Lord gives you peace that Surpasses ALL UNDERSTANDING, that our Lord will wrap his Loving Arms around Brylee's Family & Love on you while you go through something no parent should ever have to do, only God knows what she would go through in her life, for that I'm Thankful for his love & guidance in our lives. We will Pray for Brylee's family. God Bless All who greave & have been touched by this Little Angel of God's. :~(

“ *Brylee's life here on earth was short indeed but no less important
than a life lasting 100 years or longer. She is, and will always be
your precious baby girl. I am so thankful and honored to have met
her. No words, no actions, no prayers can make a difference in the
grief you are feeling during this time but be encouraged that she
now knows the fullness of God's love.*
