“ *We are so very sorry to read about your loss, it's so hard to lose someone you love but we think the hardest loss of all is the loss of your child, however knowing that they are no longer in pain, that their in Heaven with the Lord and we will be with them again in Heaven one day makes this life here on earth more bearable without them here with us. I don't think that our loved ones are very far from us when they go, I believe they walk beside us everyday, holding us up and reminding us that this life here on earth is only temporary because our God promised us a better home in Heaven. Your family is in our prayers as you go through this very difficult time. God Bless you and yours.*
