“ Bubba was my darling young friend, Eliza's, father. We met once, he and I, while I knew Eliza well. I appreciated his trust in me to care for her when she and I were together since she was an enormous personality to be beholden to. Eliza and Molly Pye were buddies much to my delight. Life's mysteries never cease. Amen, Bubba, Amen

“ I knew Bubba when we worked together at a small convenience store in Ocala. He was my district manager. As I was younger than him he gave me some great advice. " Keep learning, don't let others tell you what you cannot do, be man and not a boy, you are worth more than you know. "

“ Bubba will surely be missed!
The Circle K in Wakulla Station will never be
the same 😞
I've been retired for a while now, but when I
was working I would stop by and he would
have my one ready for me. He would say “ Girl you keep them
Troopers straight today”. I always made him a Goodie basket and a
pound cake for Christmas .
I'll miss you my friend

Bubba kept that store hopping, he worked both registers at once
keeping the line of customers moving and not having to wait. He
always had a friendly welcoming face and comment for everyone. The
store was always clean and stocked under his management, he will
surely be missed. RIP my friend.
