

Calynne Andrews Hill

February 24, 1959 - February 16, 2025

Calynne Andrews Hill, a kind and beautiful soul, died peacefully at home on February 16, after a yearlong battle with ALS (Lou Gehrig's disease). She was known to many through her good works, generous spirit, love of her family and friends, and ability to truly get the most out of life. Her courage throughout her illness has been an inspiration to all who knew her. She was a loving daughter, sister, grandmother, mother-in-law, friend and an incredible wife.

Calynne was born in Tallahassee in 1959 to Marvin and Gingir Andrews. With her two younger sisters, the Andrews had wonderful trips travelling together across the US in a motorhome. She graduated from Leon High School, attended Virginia Intermont College and Appalachian State. Following college, she moved to New York City, where she was a professional model. She continued modeling in Miami and in Tallahassee. In addition, she became a restaurateur and caterer. In 1991 she obtained her real estate license and went on to build a very successful real estate company, Hill, Spooner and Elliot.

In 1993 Lou Hill and Calynne were married and she became a doting step-mother to Pierson and Brittany. Calynne and Lou were a perfect match, not only in love, but in introducing each other to new interests and supporting each other in all that they did. They supported the arts, wildlife and

environmental organizations, archeology efforts and more. However, full-time work did not keep her from involvement in myriad aspects of our community – Word of South, P.E.O. Chapter CL, Tall Timbers, Oleander Garden Circle, Board of Gadsden Arts Center, Patron Judge and sponsor of LeMoyne’s Art in the Park festival, the Spring Garden Party for the TMH Cancer Center, Big Bend Hospice’s Singer/Songwriter Fundraiser. In addition, she and Lou travelled extensively, and she was always planning their next trip. They were avid collectors of art, many pieces of which they donated to museums throughout the country, including the Smithsonian and the American Folk Art Museum. Calynne was the consummate hostess and homemaker.

Calynne was predeceased by her father Marvin Andrews. She is survived by her devoted and loving husband Lou; children, Pierson Hill (Kim) and Brittany Dean (Wilson); grandchildren, Dawson, Harper and Copeland Dean; mother, Gingir Andrews; sisters, Shanna Ray (Glenn) and Krista Andrews; numerous nieces and nephews (Cody, Corey, Colt Williford; Joshua, Connor and Saralyn Stephens; Rachel Bartlett and Coleman Brooks); godchildren and an extensive extended family. In addition, there are countless friends who adored, respected and cherished Calynne. Her absence is immeasurable.

A celebration of Calynne’s life will be held Wednesday, March 19 at 11:00 at Trinity United Methodist Church, where Calynne became the church’s newest member.

Special thanks to Big Bend Hospice, Jen Taylor RN and friends and family who attended to her care and comfort over the past few months.

In lieu of flowers, please consider a donation to any of the organizations listed above to which Calynne was so dedicated in her time and resources.

“ I acquired my first home at the beginning of the year. To some, lottery players appear ridiculous, while we view it as a chance for an improved future. I'm known as Megan Taylor and I have played the lottery for ten years, yet I haven't won anything substantial. In my pursuit of understanding how to win better, I was advised to consult Lord Meduza, the priest who provided me with the precise 6 numbers that helped me secure the Mega Millions jackpot of \$277 million after using his spell powers and following his guidance. Lord Meduza services is top notch, and I believe your dreams aren't finished unless you decide they are. Contact Lord Meduza the priest, and he will assist you in realizing your aspirations.

“ My spouse took me for a fool, I played the fool until he made himself the fool, I provided for him, I was there for him and he still had the guts' to try to play me, I played the fool with the help of Mac private investigating firm who helped expose him, all his chats, calls even deleted messages and pictures. sending a mail to macprivateinvestigators@gmail.com, was the best thing I did in this situation who made sure of pointing out the fool.

“ I was diagnosed with Parkinson’s disease four years ago. For over two years, I relied on Levodopa and several other medications, but unfortunately, the symptoms kept getting worse. The tremors became more noticeable, and my balance and mobility started to decline quickly. Last year, out of desperation and hope, I decided to try a herbal treatment program from NaturePath Herbal Clinic. Honestly, I was skeptical at first, but within a few months of starting the treatment, I began to notice real changes. My movements became smoother, the tremors subsided, and I felt steadier on my feet. Incredibly, I also regained much of my energy and confidence. It’s been a life-changing experience I feel more like myself again, better than I’ve felt in years. If you or a loved one is struggling with Parkinson’s disease, I truly recommend looking into their natural approach. “ *Personal growth is important for achieving success in life. All these words were shared with me by Meduza, who performed a spell reading for me and created a lottery spell that turned me into a lottery champion of \$112 million here in Arizona. Within 48 hours of adhering to all of Meduza's divine instructions, he granted me the chance to use the divine lottery numbers to enter the lottery after I bought my ticket in Tempe. A week later, I was informed that I had become the fortunate Jackpot winner of the lottery game, and this was all made possible by Meduza. “ I lack the right words to appreciate this genius called lord Bubuzza, A man that has constantly lifted people from poverty to wealth by casting a lottery spell and revealing the winning numbers to them. My wife divorce me because we were financially unstable, our doubt grew and neighbours started avoiding us and this got her pissed so she left. I was heartbroken and also financially broken at the same time that I almost took my life, I did research for a better life online when I saw testimonies of people appreciating lord Bubuzza for casting a lottery spell and revealing the winning numbers to them so I contacted him immediately and he responded. I provided his requirements to cast the spell and he gave me a 6 digit number which I went to the lottery store and bought my ticket and soon got a notification that I have won \$40 million dollars. I lack words to appreciate this genius, join me appreciate him via email: lordbubuzza_miraclegwork@hotmail.com or WhatsApp: +1 365 808 5313

“ Good Morning!! My name is Justin Simporios from Canada. My daughter was unable to walk for several months after an accident that required her to have surgery. Because I haven't won the Lotto I've been playing for so long, I haven't been able to pay for the surgery. A friend online recommended Lord Meduza to me and he deserves a really, really big THANK YOU. This man chose to help me with a lottery spell and he gave me the precise numbers to play the Canada Lotto Max Lottery. After two weeks, I was proclaimed the winner of \$80 MILLION DOLLARS. Now, my daughter will be able to walk once more after so much time as her surgery is now completely funded. My victory marks the biggest win for a single ticket in Lotto Max history in Canada.. I still can't believe it, Indeed there's none like Lord Meduza. Although if you want your EX LOVER back he can help you too so get in touch with him right now.

“ Good day viewers, I wish to share my testimony with you all. I have daily 9 to 5 jobs, but while I work, I try my luck at playing instant Lotto. On this particular day, I decided to seek help online regarding tips for winning the lottery, and I saw many individuals testifying about Meduza spells. I reached out to him and informed him that I needed help to win the lottery, and he clarified the process to me, stating that after he casts the spell, it will take 48 hours for him to provide me the winning numbers, which I accepted. I followed all his instructions, and he provided me with the numbers to enter the Lottery. After the draw the following morning, I received a notification on the Lottery app on my phone indicating that I was the lucky winner of \$273 million on the New Jersey Lottery and I'm here to extend my heartfelt gratitude to Meduza. “ Living with ALS has been one of the hardest challenges of my life. The muscle weakness, fatigue, and gradual loss of mobility were heartbreaking. Conventional treatments offered little more than temporary comfort, and I was starting to lose hope. That’s when I discovered NaturePath Herbal Clinic. Skeptical but desperate for relief, I decided to try their herbal therapy. To my surprise, by the fourth month, I began noticing steady improvements less muscle twitching, better coordination, and renewed energy. It wasn’t an overnight miracle, but the progress felt real. For the first time in a long while, I felt a sense of control returning to my body. Today, I move more freely, sleep better, and most importantly I feel hopeful again. This journey with NaturePath has been life changing. If you or someone you love is battling ALS or any other neurodegenerative condition, I genuinely encourage you to explore natural alternatives. You might be surprised at what’s possible. I’m truly grateful I gave them a chance. www.naturepathherbalclinic.com

“ Zilpha and I have known Calynne for many years and we were deeply saddened to learn of her death. The memorial service at Trinity Church on March 19, 2025, was the most beautiful I have experienced. The huge turnout indicates how much she was loved. Calynne was taken from us too soon. Rest in peace, Beautiful.

“ I have known Calynne since age 16 when we went on a double date with my best friend and his girlfriend at the time who has now been my wife of 28 years. she has been a friend of my wife for all of those years. My wife knows she has always been extremely organized, goal oriented, and describes her as spinning like a top with her organizational skills and activities. Even when ALS slowed her body down, her mind was still going, planning, directing all around her. An absolutely beautiful woman and beautiful soul. Rest in peace.
