“ We made a lot of memories together, Mom. You were the consummate mom. Thank you for loving me and making me part of your intimate family. I know that heaven is now a brighter place, and you are with Jerry and Ramon and Bailey and Tyke. Watch over us all until we meet, again. Love, bj shook

“ What a great woman! Aunt Candace was such a classy and friendly lady. It was always such a treat to visit their beautiful home with my grandma and grandpa Eitniear and brother and sister. She leaves me with fond childhood memories.

“ I'm so sorry to hear of Mrs. Shook's passing. Like many behavior analysts in Florida, I met her at a FABA conference, where she and Ray and Mrs. Bailey took charge of the store as if it was their own (which it was, for many years). It was a privilege to know her. She will be greatly missed.

“ *Hello Judy, I am sure you don't know me, but I am Jane Bokhart (Rockelein) Alice Kelly's sister and an Aunt to Charlie Kelly, both of whom I know you've met. So sorry to hear about your Mother, she was a very nice person. We were in contact with both she and Raymond at the time of our 50th Anniversary 59 years ago. Can remember them so well, when they came to your Grandpa's restaurant in Leonidas. Of course as a little girl they always gave me candy and one never forgets that.*

“ Dear Judy,

Please accept our sincere condolences. I certainly appreciate the times we were able to get our mothers together, and grateful I got to know Candace through these visits. She was a delightful person and will be missed. The world could certainly use more like her.
