Cara Susan Wood passed away on August 9, 2025, in Tallahassee, Florida under hospice care, after a year-long battle with cancer. She was born April 1, in Leon County, Florida. She received her bachelor's degree from Central Wesleyan College. She worked for Home Depot for 20 years before starting at Redwire in 2022, where her coworkers quickly became part of her family.

Susan loved everything outdoors from taking photos of nature to kayaking, hiking, and camping.

She also loved going to the beach to collect seashells and to hunt for shark's teeth. She also

loved to travel and read a great book. Her happy place was visiting the St. Mark's Refuge.

She was compassionate, courageous and a fighter who never met a stranger.

Susan was an

adventurous, energetic spirit with a joy for life with a great sense of humor and a servant's heart.

Susan was an active member of First Presbyterian Church of Havana. She

was preceded in death

consider her as family.
