“ *Very sad to hear about losing Carl. I worked with him at Champs and remember him being very good at his job. His trained a good crew and surpassed goals given. He was proud of his selling abilities.. Over the years he would come in and we would catch up. The last time I saw him he was proudly pushing a stroller with a little guy named Logan in it. We caught up a bit and he was excited about being a father and a new opportunity he was exploring. I was always in awe that he was always looking for the next goal!*

“ Carl, I still cannot believe that you are gone from this world. I will always remember and cherish our last visit, on December 28th with you and Logan. Thank you for that..... And I re-read your last text message to me, just a few days ago, where you told me you loved me and wished me "sweet dreams!" You were an awesome, sweet and loving son and Father to Logan and Langleyas well as all your 4-legged babies....Cherokee, Lenny, Tonto and Rockey. You had many many good friends over the years who have shared with me how much your friendship meant to them and how very much you are already missed!

You were the best brother your Sister Lisa Tomberlin could ever have! My only comfort now is that you are free of any more pain and now in the awesome company of those who have gone before you....your Dad, Carl SR, my Mother and Father, Dave's Mom and your paternal Grandfather, Charles Tomberlin.....all awesome people who I know will be there to welcome you to what I believe is a much better place!! And I will look forward to the day when I will be reunited with you once again. I love you so much, my son.....
