

Carla Elizabeth Holt

November 30, 1977 - August 16, 2021

Carla E. Holt, affectionately called “CoCo”, 43, passed away unexpectedly on August 16, 2021, in Tallahassee, Florida.

Carla was born on November 30, 1977, in Greenville, South Carolina, but was a native to Tallahassee. She graduated from Godby High School in 1996. Carla worked in sales/office administration in the construction field for 20 years.

Carla is survived by her life partner, James Holt; sons, Austin and Ashton; daughter, Alyssa; precious grandson, Aspen; mother, Mary C. Binns; brothers, sisters, aunts and uncles as well as life-long friend, Sarah, and all who loved and adored her.

Carla had an infectious smile that illuminated the room. She had a natural gift of connecting with people and it was often said “She never met a stranger.” She was a beautiful light in this world and will be dearly missed.

Family and friends are invited to attend a Celebration of Life gathering in her remembrance on Saturday, September 25, 2021, from 4:00 p.m. to 7:00 p.m., at Carnes Lakeside Retreat located at 3054 Dover Road, Havana, Florida.

Carla, you are forever in our hearts and forever cherished! We love you so

much!

“ *Almost two years later and it still feels unreal. There's no getting over you, sister. I try so hard not to be sad, because I know you wouldn't want that. I really do try... I love you so much and miss you just as much as I love you* ❤️

“ *To me family isn't just being connected by blood. It is someone who cares and gives you a warm place to stay. I've known Carla for 3 years, and she has always welcomed me into her home as family. She was like another mother to me, and a wonderful Grandma to Aspen. I am grateful to have been part of her life and even more grateful to have had her apart of mine. I know we may have lost a partner, a mother, a daughter, a sister, a family ,and a friend but we gained a beautiful kind-heart angel to protect us. She may be gone but she will never be forgotten. Forever in our hearts and memories.*

“ I tell you one thing for sure. Carla had the best personality and was such a delight to see in that office. I really do miss her and it really isn't the same around there. That big smile and the way she would wave at you would make your day. Rest easy. You are and will be missed. ❤️

“ This is so sad. I've known Carla and her family bsince I was 15 years old. Her family took me in and accepted me as one of their own family members. She was an amazing person with a great personality and an awesome smile. I've always known her to be happy and positive! She always stayed true to her family and kept them close. She was a good mother and friend. I am in California so I am unable to be there, but I am sending all of my love to her family! ❤️

“ Although I never got to meet Carla in person, I feel as though I’ve known her all my life, and that’s because her sweet other half, James is my 1st cousin, and the way he would talk about her was so sweet and loving. R.I.P. Carla and may you rest in the arms of Jesus. Sending Prayers to James, the children and all who knew and loved Carla. 🙏❤️🙏❤️🙏❤️🙏❤️

“ Only met Carla twice and both times she had the sweetest smile and you could just feel that sweetest down inside. The children and James has the same sweetness. She is smiling down on her family. Just cherish all your memories of her.
